

Annex Student Leadership Team Application 2017-18 Part 2 / Reflection Essays

*Please respond to each of these reflection questions. Please limit answers to no more than one page per question although one to two paragraphs is generally sufficient. **Return complete questions in a typed document to Sam Kerr at skerr@fpcboulder.org by Friday, February 9.***

- 1. Please describe your faith journey. How has this journey prepared you to be a leader at the Annex? How do you currently pursue your own personal intimacy with God? (Please type all answers)**
- 2. Describe what it means to you to experience the “Best of College”?**
- 3. Why do you want to be a part of the Annex Leadership Team? What will it mean to make it an invested priority?**
- 4. Which of the following ministry areas are you most interested in serving in and why? Freshman, Campus, Sports & Rec (or other)**

Additional Information about Ministry Teams

Note that there is room for new vision and ideas. If a team comes up with new viable ideas, you'll be encouraged to try them out despite what might be perceived as unchangeable historical precedent. This also includes the formation of new or different ministry teams (think Greek, Tailgate Team, Worship, Media, Local Outreach, etc.)

Freshman Team

The Freshman Team's objective is to create a doorway community for CU Freshman to make a lasting connection with the Annex. This team needs to be passionate about connecting with incoming students that are looking for a place to belong. Successful Freshman Teams have spent much of their time on campus or other accessible places focusing their time on building community (aka hanging out) and connecting with new freshman. Specific responsibilities include weekly dinners at the C4C, carpool driving to and from the Annex, various events for the freshman community and primary leadership of the New Student Retreat (Sept. 4-5).

Campus Outreach

The objective of the Campus Outreach team is get the word out about the Annex on campus. The goal is that everyone on campus is familiar with the Annex logo, even if they might not know exactly what/who we are (postering, chalking, etc.). The Campus Outreach team also is tasked with creating opportunities for people to have positive interactions with the Annex community. In the past we have primarily done this through campus pass-outs. Other approaches that the Campus Outreach team could be strategic partnerships with other on campus groups or efforts. It's not often glamorous service but many people have found their way to the Annex for the first time from what seemed like a random encounter with someone from the Campus Outreach Team.

Tuesday Night

The objective of the Tuesday Night team is to create a welcoming, creative and dynamic Tuesday Night event that works toward the vision of the Annex that utilizes the passion and talents of the Annex community. The Tuesday Night team will work in partnership with the Annex staff to create special elements to the evening both with the Annex program and before and after. Particular focuses include hospitality, set/environment design and Annex program (video, testimony, creative engagement). Focus groups will work together as a collective whole to make Tuesday Night special for all.

Sports & Rec

The objective of the Sports & Rec is to create community building opportunities for the Annex through athletics and recreation. The Sports & Rec team has served as captains and core members for various Annex IM teams throughout the year. They have organized hikes and ride-sharing for ski days. The Sports & Rec Team also takes the lead on Annex @ Aspen, our annual trip to ski Aspen. There is a lot of opportunity community building and connecting new people to the Annex through these recreation and competition, especially here in Boulder. Creative ideas and a passion for sports and the outdoors are welcomed.

Bus Team

The objective of Bus Team is to utilize our Annex Bus to connect people to the Annex. The Bus Team will do this by getting the Bus out and about around campus, hosting Annex Tailgates before CU home games. In order to be cleared to drive the bus, team members must be 21 years of age and pass a short training program through FPC. People that aren't 21 are welcome to still be a part of the team!
